# Funeral Teas

We understand that organising a funeral reception can add additional stress at an already difficult time, and at 1891 we can promise you the full attention of our professional, friendly and considerate team.

Choosing a venue is always a difficult decision to make, and we believe our beautiful restaurant/bar is the perfect location; overlooking the stunning North Wales coast, and comfortably seating up to 200 guests, with plenty of circulation space. In the summer there is also the option to use part of the external Terrace for your guests to enjoy. We have ample on-site parking, as well as being fully accessible for wheelchair users.

Our Afternoon Tea style Buffet is ideal for a reception, and we have various options available for you. Please take the time to look at our Funeral Tea Buffet Menus and if you have any alternative requirements, please get in touch and we will be happy to discuss. Our experienced management team are always available to assist if required.
